Norman Archer *39 Knight Street, Bury, Lancashire*

W9YT

Heard you call CQ several times but did not hear any one come back to your call. Band edge very congested and also where you were calling. Quite a bit of QRM, some QRN, but no QSB on your signal. Wx in NW of England very warm, dry, some haze this Evening, no wind, Temp, - 25° centegrade.

Best Wishes and good DX

Norman.
